

MAINTENANCE SOLUTIONS

The 30/60/90 Story

- **Cars use 30% of their available horsepower**

- **Trucks use 60% of their available horsepower**

- **Off-Road Equipment uses 90% of its available horsepower**

**Trucks don't use automotive oil,
why would you use truck engine oil
for your off-road equipment?**

**Moral of the Story;
Use the right oil for
the right application**
